I had a soul transplant operation
Coz my bypass didn't function
So now I'm keeping on my toes
'Til I see your one man show

Show me magic
Show me magic
Show me magic
Show me mad

Wouldn't it be nice to know
What the paper doesn't show
What the TV doesn't say
And what my hamster's ate today?

Show me magic
Show me magic
Show me magic
Show me mad

God! Show me magic
God! Show me magic
God! Show me magic
God! Show me mad

Show me magic
Show me magic
Show me magic
