What a marvellous dress  
You look like a murderess  
A ba-ba-barbarian  
Dyslexic librarian  
She looks me in disgust  
There's no room for discourse  
I shake like a quaker  
So see you later

We're wrong, we're wrong  
We're wrong, we're wrong

She fake like a painter  
Who dance-a Korea  
Me pagan consumer  
Be consumed by fear  
Dysfunctional sasquatch  
Enough only gnarly  
It's not tragedy  
It's funny every

We're wrong, we're wrong  
We're wrong, we're wrong

And the sasquatch says-  
Roa-arr-ar-ooooooooo

Ha-ppiness is a worn pun, Happiness is a worn pun  
Ha-ppiness is a worn pun, Happiness is a worn pun  
Ha-ppiness is a worn pun, Happiness is a worn pun

We're wrong, we're wrong  
We're wrong, we're wrong
