I can see you safe and young and pure  
underneath you  
where no one else can see  
calling your name  
waiting for reply  
it will not be  
easy to deny

don't wanna be  
lost in your failures  
don't wanna be  
laid down by you  
don't wanna be  
lost in your failures  
don't wanna be  
stuck inside your angry world

i can feel you  
reaching for the door  
moving slowly  
crawling on the floor  
finding your way  
falling out of sight  
keep it inside  
taking it away

don't wanna be  
lost in your failures  
don't wanna be  
laid down by you  
don't wanna be  
lost in your failures  
don't wanna be  
stuck inside your angry world

i can see you  
safe and young and pure  
underneath you  
no one else can see  
calling your name  
waiting for reply  
it will not be

easy to deny

don't wanna be  
lost in your failures  
don't wanna be  
laid down by you  
don't wanna be  
lost in your failures  
don't wanna be  
stuck inside your angry world
