Have you seen her, Mrs Spector?
I'm her bodyguard and protector
Don't remember where I lost her
When did she get off the bus?
I don't know

Have you seen her, Mrs Spector?
I'm her bodyguard and protector
Don't remember where I lost her
When did she get off the bus?
I don't know

Have you seen her on the circuit screen?
She's alone and letting out a scream
Don't remember where I left her
When did I get off my head?
I don't know

Have you seen her, Mrs Spector?
I'm her bodyguard and protector
Don't remember where I lost her
When did she get off the bus?

I need you
You're my trophy girlfriend
To be seen to
You drive me ?round the bend
To be near you
You know I'm losing control
Of my ego
Oh, I need you so badly
Oh!

Have you seen her, Mrs Spector?
I'm her bodyguard and protector
Don't remember where I lost her
Must protect her
Not neglect her

Have you seen her, Mrs Spector?
I'm her bodyguard and protector

Don't remember where I lost her
When did she get off the bus?
