Where's Dave?
He's on Lisa
he's on Lisa all the time
he says that she knows him and all the sweet spots that
she finds

All day Dave's on Lisa
Dave's on Lisa
All the time it's a
new thing dave on lisa
dave's on lisa
feelin' fine

i called dave on the phone
but dave was not home when the phone rang i tried
going over
but he's with lisa
bang, bang, bang

all day dave's on lisa
dave's on lisa
all the time it's a
new thing
dave on lisa
dave's on lisa feelin' fine

She refused me
she refused me
but with dave she says she said,
"dave! bring it on home! bring it home!"

All day dave's on lisa
dave's on lisa
all the time it's a
new thing
dave on lisa
dave's on lisa
feelin'....fine
