First time, I did it for the hell of it  
Stuck it on the back of my tongue  
And then swallowed it  
Second time, things are getting easier  
Blow me down this wind is getting breezier  
Third time lucky, made me feel fuzzy  
Oh my God, we're getting hippy-dippy  
Five, six, seven, man I'm in heaven  
And I'm growing my beard  
Before it gets sheared

You're on my mind  
Every day and every night  
And you'll never go away  
Coz I know you're here to stay  
For the rest of my mind (X2)

First time, I did it for the hell of it  
Stuck it right up  
And that was the end of it  
Second time, things are getting easier  
Hairs on the back of my neck are getting stickier  
Third time unlucky, perversely bloody  
Doctor I'm ill please pass me the brandy  
Five, six, seven I heard George Foreman say:  
Slow horses loose  
Fast women frighten

You're on my mind  
Every day and every night  
And you'll never go away  
Coz I know you're here to stay  
For the rest of my mind (X2)

I just keep repeating myself (X6)

Aaaah yeah, coz you're on my mind  
Every day and every night  
And you'll never go away  
Coz I know you're here to stay  
For the rest of my mind

On my mind  
Every day and every night  
And you'll never go away  
Coz I know you're here to stay  
For the rest of my mind  
On my mind  
Every day and every night  
And you'll never go away  
Coz I know you're here to stay  
For the rest of my mind
