Have you ever seen the sun  
(Have you ever seen the sun, have you ever seen the sun)  
Rising high to the sound of a gun?  
Blue and white and yellow sun  
(Blue and white and yellow sun, blue and white and yellow sun)  
Capturing imagination  
We went down to the piccolo drum  
Never made it into the hum  
Down to the piccolo  
Down to the piccolo  
Down to the piccolo snare  
Have you ever seen the sea  
(Have you ever seen the sea)  
Painted red by a bleeding army?  
Sky hawks gather for a feast  
(Sky hawks gather for a feast)  
Of pawns who will never find peace  
Tumbledown to the piccolo snare  
Never made it into the square  
Down to the piccolo  
Down to the piccolo  
No one particular cared

Dreaming, dreaming, dreaming, dreaming  
Now! We can go home again  
To our old haunts again  
Together  
Now scatter us all around  
Far from the bugle sound  
Surrender  
Safe in the exclusion zone  
Catch me and take me home  
As brother fights brother  
Wrapped up in tarnished flags  
Banners and body bags  
Surrender!  
(Surrender!)

Dreaming, dreaming, dreaming, dreaming  
Dreaming, dreaming, dreaming, dreaming
