Took you to a movie
But you moved away.
Froze into a standstill;
My feet turned to clay.
Looked into the sky for
Some good advice,
A curious shadow
Angle poised,
Circled twice then tossed
Me a Carcass

Sold you a Dalmatian,
But the spots fell off,
Pooled them all together,
As a hairy moth,
Bred it with a lion
But it flew away,
Now it chases drones
Around the sky;
Growls and grunts 'til you
Feed it a blemish

I can't get enough of it
Kiss me with Apocalypse
An instant hit

Saw the Virgin Mary,
She was crying blood,
Tears congregate
Into a mighty flood,
Gave her some directions
To a specialist,
An eye doctor to help her cyst,
She took the wrong turn,
To the family planning.

Saw Lord Lucan riding Shergar
To the shops last night,
Couldn't be positive in
Candle light,
Chased them in a Mustang

To a Quick Save till,
Searched for words to fit the bill,
Dug myslef a hole,
Then I fell into a vacuum

I can't get enough of it
Kiss me with Apocalypse
