If I could have you  
I know what I'd do  
This time I'd be true  
If I had you

If you could be mine  
I'd walk that straight line  
There'd be no bad times  
If I had you

I made the worst mistake  
One fool could ever make  
Tell me it's not too late  
What can I do?

If I could hold you tight  
I'd have the world tonight  
And everything would be alright  
If I had you

Well, I made the worst mistake  
One fool could ever make  
Tell me it's not too late  
What can I do?

If I could hold you tight  
I'd have the world tonight  
Everything would be alright  
If I had you

Everything would be alright  
If I had you...
