Looking through these old photographs
Don't they bring some good memories back?
Some of them make us laugh and some make us cry
I'm glad we've kept all of these souvenirs
To prove our love was here;
Look at how happy we were, pictures don't lie
If forever should end today
And there's no tomorrow for us
What a day yesterday was
Here's one of us with you calm and cool
Look at me acting a fool
And here's one of us on the Ferris wheel at the fair
Hey, haven't we had some fun?
The best may be yet to come
We may have a hundred years still left to share
If forever should end today
And there's no tomorrow for us
What a day yesterday was
Let's close this book of photographs
And turn out the lights
And love for the moment
As if it were the last
And if forever should end today
And there's no tomorrow for us
What a day yesterday was
What a day yesterday was
