Looking through these old photographs  
Don't they bring some good memories back?  
Some of them make us laugh and some make us cry  
I'm glad we've kept all of these souvenirs  
To prove our love was here;  
Look at how happy we were, pictures don't lie  
If forever should end today  
And there's no tomorrow for us  
What a day yesterday was  
Here's one of us with you calm and cool  
Look at me acting a fool  
And here's one of us on the Ferris wheel at the fair  
Hey, haven't we had some fun?  
The best may be yet to come  
We may have a hundred years still left to share  
If forever should end today  
And there's no tomorrow for us  
What a day yesterday was  
Let's close this book of photographs  
And turn out the lights  
And love for the moment  
As if it were the last  
And if forever should end today  
And there's no tomorrow for us  
What a day yesterday was  
What a day yesterday was
