Bass note, treble, stereo control, how low you go  
Just enough to make your juices flow  
Press play, dont stop, rotate, too hot  
You feel Im real  
Im everything you need, so tell me whats the deal

[CHORUS]

2000 Watts, 8 ohms, 200 volts, real strong  
Too much of that, fuse blown  
Be careful what you say dont overload  
2000 Watts, 8 ohms, 200 volts, real strong  
Too much of that, fuse blown  
Be careful what you say dont overload

3D, high speed, feedback, Dolby  
Release two or three, when I reach I can go til I hit my  
peak  
Compact steelo, chico, D-Lo, highpost lady  
Shorty really wanna be there for me

[CHORUS]

[AD LIBS]

[CHORUS OUT]
