If I could tear down these walls that keep you and I
apart
I know I could claim your heart and our perfect love will
start
But girl you just wont approve of the things that I do
When all I do is for you but still you say it aint cool

If theres somebody else, he cant love you like me
And he says hell treat you well, he cant treat you like
me
And hes buying diamonds and pearls, he cant do it like
me
And hes talking you all across the world, he cant trick
you like me

[CHORUS]

So why aint you feelin me, shes invincible
But I can do anything, shes invincible
Even when I beg and plead, shes invincible
Girl wont give in to me, shes invincible

Now many times Ive told you of all the things I would do
But I cant seem to get through no matter how I try to
So tell me how does it seem that you aint checking for
me
When I know that I could be more than you could ever
dream

If theres somebody else, he cant love you like me
And he says hell treat you well, he cant treat you like
me
And hes buying diamonds and pearls, he cant do it like
me
And hes talking you all across the world, he cant trick
you like me

[CHORUS]

Now some way Ill have to prove all that I said I would do

Giving you everything, fulfilling your fantasy
Then maybe youll change your mind and finally give in
time
Then Ill be showing you what other men are supposed
to do for you my baby

[RAP]

[CHORUS x 3]
