If you call out loud  
Will it get inside  
Through the heart of your surrender  
To your alibis  
And you can say the words  
Like you understand  
But, the power's in believing  
So give yourself a chance

'Cause you can  
Climb the highest mountain  
Swim the deepest sea, hee,  
All you need is the will to want it  
And uhh, little self-esteem

So keep the faith  
Don't let nobody turn you 'round  
You gotta know when  
It's good to go  
To get you dreams  
Up off the ground  
Keep the faith, baby, yea  
Because it's just  
A matter of time  
Before your confidence  
Will win out  
Believe in yourself  
No matter what it's gon' take  
You can be a winner  
But you got to keep the faith  
....Gon' keep it brother  
You got it

And when you think of trust  
Does it lead you home  
To a place that you  
Only dream of  
When you're all alone  
And you can go by feel  
'Stead of circumstance  
But the power's in believing

So give yourself a chance

I know that you can  
Sail across the water  
Float across the sky, high  
Any road that you take  
Will get you there  
If you only try

So keep the faith, ow  
Don't let nobody  
Take you down, brother  
Just keep your eyes  
On the prize  
And your feet  
Flat on the ground  
Keep the faith, baby, yea  
Because it's just  
A matter of time  
Before your confidence  
Will win out

I told my brother how to  
Do the thing right  
Lift up your head and show  
The world you got pride  
Go for what you want  
Don't let 'em get in your way  
You can be better  
But you got to keep the faith  
You got it

I know that keepin' the faith  
Means never givin' up on love  
But the power that love has  
To make it right

Makes it  
Makes it right

Keep the faith  
Don't let nobody turn you 'round brother  
You got to know  
When it's good to go  
To get your dreams up  
Off the ground  
Keep the faith  
Baby, yea  
Because it's just a matter of time  
Before your confidence  
Will win out

Better stand up and act like  
You wanna do right  
Don't play the fool  
For the rest of your life  
Work on it brother  
And you'll make it someday  
Go for what you want  
And don't forget the faith

Look at yourself  
And what you doin' right now  
Stand back a minute  
Just to check yourself out  
Straighten out your life  
And how you're livin' each day  
Get yourself together  
'Cause you got to keep the faith  
Uh, uh, uh

Don't let nobody take you down, brother  
Just keep your eyes on the prize  
And your feet flat on the ground  
Keep the faith, baby, yea  
Because it's just a matter of time  
Before your confidence will win out

Lift up your mind  
Before you mind gets blown  
Some things in life  
You best just leave them alone  
Go for what you want  
Don't let it get in your way  
You can make it happen  
But ya gotta keep the faith

Gon' keep it brother  
You got to keep th faith  
Yeah keep the faith  
Gon' keep it sister  
You got to keep the faith  
Now, now

I'll show my brotha  
How to do the thing right  
Lift up your head  
And show the world you got pride  
Go for what you want  
Don't let 'em get in your way  
You can be a winner  
If you keep the faith

Straighten out yourself  
And get your mind track  
Dust off your butt  
And get you self-respect back  
You've know me long enough  
To know that I don't play  
Take it like you want it  
But you got to keep the faith  
Gon'

Don't let nobody  
Take you down  
Just keep your eyes on the prize  
And get your feet  
Back on the ground  
Keep the faith, baby, yea  
Because it's just  
A matter of time  
Before your confidence  
Will win out  
But till that day  
I said you've got to  
Keep the faith
