Aint the pictures enough, why do you go through so  
much  
To get the story you need, so you can bury me  
Youve got the people confused, you tell the stories you  
choose  
You try to get me to lose the man I really am

You keep on stalking me, invading my privacy  
wont you just let me be  
cause you cameras cant control, the minds of those  
who know  
That youll even sell your soul just to get a story sold

[CHORUS]

I need my privacy, I need my privacy  
So paparazzi, get away from me

Some of you still wonder why, one of my friends had to  
die  
To get a message across, that yet you havent heard  
My friend was chased and confused, like many others I  
knew  
But on that cold winter night, my pride was snatched  
away

Now she get no second chance, she just ridiculed and  
harassed  
Please tell my why  
No theres a lesson to learn, respects not given, its  
earned  
Stop maliciously attacking my integrity

[CHORUS]

Now theres a lesson to learn, stories are twisted and  
turned  
Stop maliciously attacking my integrity

[CHORUS x 3]
