Written and Composed by Michael Jackson.

I'm so undemanding  
'cause they say love is blind  
I've lived this life pretending  
I can bear this hurt deep inside  
The truth is that I'm longing  
For love that's so devine  
I search this whole world wishing shell be there  
Time after time

Someone put your hand out  
I'm begging for your love  
All I do is hand out  
A heart that needs your love

I've lived my life a lonely  
A soul that cries of shame  
In handicaped emotions save me now  
While the wound still remains  
I'll be your story hero  
I'll serenade in rhyme  
I' m just needing at someone save me now  
Come out of my mind

Someone put your hand out  
Begging for your love  
'Cause all I do is hand out  
A heart that needs your love

Someone put your hand out  
(I'm begging for your love)  
Begging for your love  
All I do is hand out  
A heart that needs your love

When you say we will dance until the light of day  
It's just like the children of earth's joy  
When we pray  
Will you promise me you'll always stay  
It's because I'm needing that someone

Someone put your hand out  
I'm begging for your love  
All I do is hand out  
A heart that needs your love

Someone put your hand out  
I'm begging for your love  
All I do is hand out  
A heart that needs your love  
Someone put your hand out  
I'm begging for your love  
All I do is hand out love
