-----  
There'll be no darkness tonight  
Lady our love will shine  
Just put your trust in my heart  
And meet me in paradise  
You're every wonder in this world to me  
A treasure time won't steal away

So listen to my heart  
Lay your body next to mine  
Let me fill you with my dreams  
I can make you feel so right  
And baby through the years  
Gonna love you more each day  
So I promise you tonight  
That you'll always be the lady in my life

Lay back in my tenderness  
Let's make this a night we won't forget  
Girl, I need your sweet caress  
Reach out to a fantasy  
Two hearts in the beat of ecstasy  
Come to me

And I will keep you warm  
Through the shadows of the night  
Let me touch you with my love  
I can make you feel so right  
And baby through the years  
Even when we're old and gray  
I will love you more each day  
'Cause you'll always be the lady in my life

Whoo girl, let me keep you warm  
You are the lady in my life  
Fill you with the sweetest love  
Always the lady in my life  
Lay back in my tenderness  
You are the lady in my life  
Rock me with your sweet caress  
Always the lady in my life

Stay with me  
I want you to stay with me  
I need you by my side  
Don't you go nowhere  
Let me keep you warm  
You're my lady  
Fill you with the sweetest love  
I wanna touch you baby  
You're my lady and I love you girl
