Ooh my honey
You got me working day and night
Ooh my sugar
You got my working day and night
Scratch my shoulder
It's aching make it feel alright
When this is over
Lovin' you will be so right
I often wonder if lovin' you
Will be tonight
But what is lover girl
If I'm always out of sight

Refrain:
(That's why)
You got me workin' day and night
And I'll be workin'
From sun up to midnight

Chorus:
You got me workin' workin' day and night (x 4)

You say that workin'
Is what a man's supposed to do
But I say it ain't right
If I can't give sweet love to you
I'm tired of thinkin'
Of what my life's supposed to be
Soon enough darlin'
This love will be reality
How can you give girl
'Cause love for us was meant to be
Then you must be seein'
Some other guy instead of me

Refrain
Chorus

You say that workin'
Is what a man's supposed to do
But I say it ain't right

If I can't give sweet love to you
How can you live girl
'Cause love for us was meant to be
Then you must be seein'
Some other guy instead of me

Refrain
Chorus (x 2)

Ad lib to fade
