YANARIM

(I burn)

Ne olur as kapa½ya½

(Please open the door)

Yine tat yarea°im aca½ya½

(Let my heart taste the pain again)

Yenildik mi biz maziye

(Were we defeated by the past?)

As kapa½ya½

(Open the door)

Dara½lda½k kendimize

(We aren't friends with ourselves anymore)

Ucu yanma½a¾ resmimize

(Nor with our half burnt photos)

Kaybolan amidimize

(Or our lost hope)

Genslia°imize

(Or our lost youth)

Yanara½m yanara½m, gan geser yanara½m

(I burn, I burn, the days pass by, I burn)

Ah gecelerin hesaba½na½ kimlere sorara½m

(Ah, who is going to bring back the nights?)

YanaraÂ½m yanaraÂ½m ne yapsam yanaraÂ½m

(I burn, I burn, whatever I do, I burn)

Ah gecelerin hesabaÂ½naÂ½ kimlere soraraÂ½m

(Ah, who can pay the nights back to me?)

Ne olur as kapaÂ½yaÂ½

Yine tat yareaÂ°im acaÂ½yaÂ½

Yenildik mi biz maziye

As kapaÂ½yaÂ½

Gecelere sor beni

(Ask me to the nights)

Gan dediaÂ°in nerden bilir ki halimi?

(How could a day know how I am?)

YalnaÂ½zlaÂ½aÂ°a sor beni

(Ask me to the loneliness)

Yalan aaÂ¾klar anlatamaz ki halimi

(The deceitful loves cannot tell how I am
