you were running late.
ambulance driver.
you arrived too late.

there's nothing you can do.
why don't you do it anyway?
there's nothing you can do.
why don't you roll it out,
carry it away?

on the interstate.
ambulance driver.
i could barely wait.

there was nothing i could do.
i should've done it anyway.
if the word of god is true,
why don't you roll it out,
carry it away?

there was nothing i could do.
i should've done it anyway.
if the word of god is true,
why don't you roll it out,
carry it away?
