Bah bah bah dum  
To breathe in bright pavilions in that lighter air  
Organisms perish by the millions when you're there  
Organisms perish by the millions in your hair

And when you dare me to, I do, I do  
Love each of you I do, I do

Bah bah bah dum  
You lay in state beside the one you're thinking of  
Lie and wait in altered states inside the story of  
The organism cherished by the one you're thinking of

When you dare me to, I do, I do  
Love each of you I do, I do  
I do. I do. love each of you I do, I do
