Got no time to try and make you see
It's meaningless to me
At one with everything I brought upon myself
How do you think everything should be?
It's meaningless to me
Just like you I've got to look out for myself

Everybody knows the way this feeling goes
If it ever goes, goes, woah, woah
Everyone agrees, if anybody sees
Only if you please

Woah, guess
I oughta know by now

Got no time to try and make you see
It's meaningless to me
At one with everything I brought upon myself
How do you think everything should be?
It's meaningless to me
Just like you I've got to look out for myself

Everybody knows the way this feeling goes
If it ever goes, goes, woah, woah
Everyone agrees, if anybody sees
Only if you please, please

Woah, guess
I oughta know by now
