Cynicality couldn't comfort me again
Wanna die and, wanna die
Anne, if it's you and me, it's a casualty again
Wanna try and wanna try and make it happen

'Cause nothing's happenin'
Nothing's happenin', nothing's happenin'
Is this happenin'? Is this happenin'?
Is this happenin'?

I will not expect, it can only bring me down
Further down, yeah, further down, yeah
You're in full effect, I can only bring you down
Turn around, yeah, turn around, yeah

Make it happen
