I'm so sensitive to light.
I may never get it right.
All the bloody stupid miracles and lies
guess it's up to you to have them exorcised.

What did I do?
Nothing is true
whatever is over now,
sober is over now.

I may never get away.
I'm rejecting yesterday.
Only hoping my trajectory is high.
Now there will be no more pissing you goodbye.

What did I do?
Nothing is true
whatever is over now,
sober is over now.

Destination Ursa Major
Destination Ursa Major
Destination Ursa Major
Destination Ursa Major
(It could be that I may never get away)
Destination Ursa Major
Destination Ursa Major
(That's the reason why I'm blowing you away)
Destination Ursa Major
(Blowing you away).
