come on baby
get me into the car
out on a bender and waiting for you
get me out of the bar
i don't feel like staying
i just want something to do
i just wanna sleep it off with you
pour me into you
come on baby
get up just to get down
out on a bender and waiting for you
count me out on the town
i don't feel like staying
i just want something to do
i just wanna sleep it off with you
pour me into you
i don't want you feeling like i do
yeah yeah
i just want you twisted with me too
yeah yeah
i don't know what i've been trying to prove
yeah yeah
every time i get too fucked to move
yeah yeah
come on baby
get me into the car

get me out of the bar
