Yeah yeah yeah  
I was hellbent to burn up the world  
With a beautiful girl I created  
Then my God said, "Take a powerful pill  
Like a fool on the hill", and I waited

Everybody wants to hang around  
Everybody wants to bring me down  
This simple prayer I say without a sound  
"Get me off the ground, uh huh"

Man, I lost it, I was losing my mind  
I was dying to find a salvation  
But I'm changing, I am making  
Her mine and I'm trying to be a sensation

Everybody wants to hang around  
Everybody wants to bring me down  
This simple prayer I say without a sound  
"Get me off the ground, uh huh, yeah"
