I am incinerator
I have nothing to lose
Right hand of the creator today
Feel all right oh

I am incinerator
I owe nothing to you
I stand on the equator today
Feels all right this way

If you ever pull that shit again
Never see you the same way again
It's embarrassin'
I guess it's american
It's embarrassin'

I am incinerator
I am dead to the world
I'll do whatever to please you today
Feels all right this way
If you ever pull that shit again
Never see you the same way again
It's embarrassin'
I guess it's american
It's embarrassin'

If you ever pull that shit again
Never see you the same way again
It's embarrassin'
I guess it's american
It's embarrassin'

Let's get drunk with harrison
Mic harrison
And the faults
Ah ah
