She once in a while
Does everything all for denial
I don't understand
Isn't it good? Hope in your hand

And I don't wanna hear about how
Everything is different now
Are you ever going to change?
I hope you always remain

Remain yer strange
Remain yer strange

She's sitting at home
Says all she can over the phone
I don't wanna go
But I can't do that if she don't say no

And I don't wanna hear about how
Everything is different now
Are you ever going to change?
I hope you always remain

Remain yer strange
Remain yer strange

And I won't ever go
I found you once you know
When all is said and done
Girl, you're the only one

Remain yer strange
Remain yer strange

Remain yer strange
Remain yer strange
