I've gotta double down
Even if I can' be proud
At least I'm gonna try
Even if I don' know why

I'm alive in here
I've been so insincere, yeah
Disappeared I've been so insincere, yeah
So insincere yeah

I want someone to blame
'Cause I'm never gonna be the same
I'll suffocate in shame
But we're only going down in flames

I'm alive in here
I've been so insincere, yeah
Disappeared I've been so insincere, yeah
So insincere, yeah, so insincere, yeah, so insincere,
yeah

Sunshine burns above you
Hate myself to love you
Hate myself to love you, yeah

I've gotta double down
Even if I can' be proud
At least I'm gonna try
Even if I don' know why

I'm alive in here
I've been so insincere, yeah
Disappeared I've been so insincere, yeah
So insincere, yeah, so insincere, yeah, so insincere,
yeah
