Look around, could it bring somebody down
If I never made a sound again?
In your eyes you've already spread my thighs
And you're rocking to the next big thing
Kissing the bride, 45 minutes a side
This was my dream played out rocking routine

Who sucked out the feeling?
Who sucked out the feeling?

Where'd you go? Now that everybody knows
And we did a couple shows out there
Look at me, I can write a melody
But I can't expect a soul to care
Kissing the bride, 45 minutes a side
This was my dream, played out rocking routine

Who sucked out the feeling?
Who sucked out the feeling?

Who sucked out the feeling?
Who sucked out the feeling?

Kissing the bride, 45 minutes a side
This was my dream, played out rocking routine

Who sucked out the feeling?
Who sucked out the feeling?
