looking for a kiss that'll knock me out
sugar numb my lips again
cause I know the score
I know the score
looking for a girl that'll stick around
that'll let me down slow
cause I know the score
I know the score
could it be you? I got nothin else to do
and I've got no thing to lose
give me a shot
could it be real? I got nothing left to steal
and I'm too fucked up to feel
give me a shot
here I am give me what you got
looking for a gas that'll get me high
that'll get me there fast
cause i need the score
looking for a girl that'll stick around
that'll let me down slow
cuase I know the score. I know the score
could it be you...
