Are you miserable, are you miserable tonight?
You're invincible, indefensible, even deep and getting
right
I hope you'll write some song where you mention
All the wrongs I've done
Tell everyone you're happy and order up another one

Yeah, the genius staggers home
Yeah, are you better off alone?

Are you satisfied, are you ever gonna be?
You're despicable inexplicable and you're meaningless
to me
I hope you'll write some song where you mention
All the wrongs I've done
Tell everyone you're happy and slip into oblivion

Yeah, the genius staggers home
Yeah, are you better off alone?
Yeah, the genius staggers home
Yeah, are you better off alone?

Are you miserable, are you miserable tonight?
You're invincible, indefensible, even deep and getting
right
I hope you'll write some song where you mention
All the wrongs I've done
Tell everyone you're happy and slip into oblivion

Yeah, the genius staggers home
Yeah, are you better off alone?
Are you better off alone, are you better off alone?
Are you better off alone, are you better off alone?
