I've got a reason to be sad
And I've got a reason to feel like I've been had
But I would give most anything
To see you smile at me again

I don't know
(Since you've gone)
I don't know
(Since you've been gone)
What I'm supposed to do
Way down here without you

I don't know
(Since you've gone)
I don't know
(Since you've been gone)
What I'm supposed to do
Way down here without you

I know you won't be coming home
And it makes me feel so afraid of the unknown
But I would give most anything
To see you smile at me again

I don't know
(Since you've gone)
I don't know
(Since you've been gone)
What I'm supposed to do
Way down here without you

I don't know
(Since you've gone)
I don't know
(Since you've been gone)
What I'm supposed to do
Way down here without you

You still mean a lot to me, yeah
You still mean a lot to me
More than a memory to me, yeah
More than a memory to me
