(chorus)

Now I could fuck you but I'd rather get some head  
instead  
I could fuck you but I'd rather get some head instead  
I could fuck you but I'd rather get some head instead

I could fuck you but I'd rather get some head  
I could fuck you  
But I'd rather get some head instead

I could fuck you but I'd rather get some head instead  
I could fuck you but I'd rather get some head instead  
I could fuck you but I'd rather get some head

(White Dawg)

Ain't no need to get all sweaty in bed cuz all I want is  
head  
Now I could fuck you but I'd rather get sucked instead  
So I said why have sex when i can get straight neck?  
And I could bust my nuts on your mouth  
on your breast, on your back, on your crack  
It don't matter to me  
I stand up while you're suckin this dick up on your  
knees  
Please I'm about to cum, squiggle with your tongue  
Show tha dick's, so give me head with your thong  
I keep'em always cocked  
So bitch, don't stop  
I got you screwin from New Orleans and I'm hard as a  
rock  
I'm leaning up against the wall  
Where you're sucking on my balls  
It's hard You want some head ?  
Suck 'till it's dead  
Tryin' to get off me, pushing me on the bed  
Thought she was gonna fuck, but she'd rather give  
some head instead  
Now the bitch's tryin' to diss me  
Because I wouldn't let her kiss me  
She kissed me everyday cuz she misses me

(chorus)

Bitch I don't need your pussy that bad  
You ain't suckin dick all that  
You don't need to get all sweaty in bed  
Because all a nigga wants is some slow head

Now you're mistaken if you ain't lickin'  
You must be trippin'  
Yo pants is all down like I'm fixin to get it  
Put your face in the place, nigga go to work  
Won't you lick this pussy dry 'till your mouth starts to hurt  
I'm gettin' served, but nigga come a lil more close  
Got your head bent down, I'm gonna cum on your nose  
Now go with your hoes cuz I'm just too hot  
I'm a freaky ass bitch, now put your tongue on my spot  
I got strawberries and cherries and cream  
Got your dick all hard like i'm doin that thing  
Now you shit in your pants or you could use your hand  
Now if you're using your tongue I aint having a man

Now I could fuck you but I'd rather get some head instead  
I could fuck you but I'd rather get some head instead  
I could fuck you but I'd rather get some head instead

I could fuck you but I'd rather get some head  
I could fuck you

(repeat 2X)

Nigga, I don't need a dick that bad  
If you ain't lick the clit that bad  
You don't need to get all sweaty in bed  
Because all a bitch want is some slow head

(chorus both)
