First time I ever saw your face (Mmm, mmm)  
Think I knew right then and there you were the one,  
you're the one  
Another memory you've erased  
And now it seems so long ago  
I'm not the man I was before

All my friends they just can't believe (No, no, no, no)  
That a man like me could just stop runnin' 'round and  
settle down  
Others try to put me in the streets  
But they don't know about the love we have  
When I think about 'em I just say  
I don't give a damn about a thing (Oh, no)  
Baby, long as you put on this wedding ring, wedding  
ring  
And wear it the rest of your life, oh, girl

Can I just see you every morning (See you) when I open  
my eyes (Open my eyes)  
Can I just feel your heart beating beside me (Hey)  
every night (Every night, baby)  
Can we just feel this way together (Can we feel) till the  
end of all time (Can we feel)  
Can I just spend my life with you  
(Ho...oh...yeah...yeah...)

Every Sunday morning on my knees  
Givin' thanks to God for what he's given me, thank you,  
Jesus  
All the man that a woman could ever need  
On your every word I can depend, my lover and you're  
my best friend  
Other guys were tryin' to step to me  
Baby, they can never do a damn thing for me  
'Cause I found the love of my life, oh...

Can you run to these open arms when no one else  
understands {No one, baby}  
Can you tell God and the whole world I'm your woman  
{And God}, you're my man

{You're my man}  
Can't you just feel how much I love you {I love you}  
with one touch of my hand {Oh, babe}  
Can I just spend my life with you {Spend my life, with  
you, with you, yeah, uh-huh-huh}

No touch has ever felt so wonderful [You were  
incredible, girl]  
And no deeper love I've never known  
And baby, I swear, yeah [Now and forever] {Now and  
forever}  
[To you] For you, baby [To you]

Can I just see you every morning {Every morning}  
when I open my eyes {Baby}  
Can I just feel your heart beating beside me {My eyes,  
my eyes} every night  
Can we just feel this way together till the end of all time  
Can I just spend my life with you {Spend my life with  
you} ('Cause I love you, baby)

Spend my life with you (Ooh...)  
Forever here with you  
Just spend my life {Oh, yeah, oh, yeah}

I don't give a damn about a thing (Mmm)  
Long as you put on this wedding ring, wedding ring  
I don't give a damn, baby  
Yes, you can, yes, you can

Every Sunday morning on my knees  
Givin' thanks to God for what he's given me, thank you,  
Jesus  
{Thank you, Jesus} Thank you, Jesus {I'm thankin' you,  
yes, I am, yes, I am}  
All the man that a woman could ever need

And all the girls been tryin' to get with me {I don't care,  
baby}  
Baby, they could never do a damn thing for me  
{Could never, never 'cause I love you, 'cause I love  
you, baby, yes, I do}  
First time I ever saw your face  
Think I knew right then and there you were the one,  
you're the one  
{Don't never, never, never, never, never, let me go,  
baby}
