Verse 1 *(Numskull)*

It's like front,

all feticious females goin for riches,

cuz once a rat, always a rat "Who got cheese"
let me be the one throwin up lung from Hindu,
wipe my grill, peel off an then continue,
I got it in you, from big balls to ass tours,
"Who's ass you speakin on nigga?"
BITCH YOURS,
tonight's the night,
like the highschool prom,
I'm tryin to get some if your pussy is the bomb,
Halle Berry cut, or shaved off in the back,
I'm takin 'em all as long as they gone off the yak,
uh,
I come back from doin big thangs,
if it wasn't fo ginseng then yo pussy would be his
thang,

but now.

(Chorus)

My folks ask me where I've been all day, (all day)
an I don't think that I should say,
then they ask me again.
Tryin to hold back my smile, (big thangs, dig that)
but you can't tell that ain't my style.
then they ask me again.

Verse 2 *(Yukmouth)*

Uh, nigga, nigga, nigga,

juss pass them dank an grasp them,
watch it crank,
I get my dick sucked on stage,
in front of the crowd when I nut in yo mouth the crowd

because my game is global!!

She's juss a freaky thang, (freaky thang)

(chorus)

My folks ask me where I've been all day,
an I don't think that I should say,

then they ask me again.

Verse 3 *(Numskull)*

Those that don't got pussy,
be the niggaz that's fuckin the block pussy,
turf hoppin stop pussy,
that put you in the blocks pussy,
smellin like ice pussy,
bitch you got a watch pussy,

so don't worry about my pussy,
if we get down it's cuz we both tried to push up,
niggaz be on my dick like I'm the man wit all the hook-
ups,
gimme some proper pussy,
that hollow tight proper pussy,
that fine ass, thick pregnant type hot pussy.

(chorus) x2

Tryin to hold back my smile,
but you can't tell that ain't my style.
Then they ask me again.
Not my style. Not my style.
But you can't tell that ain't my style.
Not my style. Not my style.
But you can't tell that ain't my style.
