I've got this thing stuck into my head I don't expect you  
to understand  
You walk away just like before or did you forget  
Your broken wings won't help you to fly because you're  
no angel

Seems as though I can't erase what you have done,  
can't pretend  
Say what you wanted to

Give your words some meaning  
Walk away if you dare, I've got a thing for revenge

Time and again left me on my own, completely wasted  
Leave me here, waiting here, I will be fine open my own  
Say what you wanted to

Give your words some meaning
