(Intro)

I've done what I've needed to do  
And you being seventeen  
I feel like you need to step up  
And take charge  
And you knowing the talent that you have  
Just as well as I know the talent that you have

(Hook) Zay Gaines

I'm just making music they ain't into yet  
I'm just making music they ain't into yet  
Coming from a place they ain't been to yet  
Yeah,

(Bridge) Zay Gaines

Uh,  
Okay you knew me from the jump  
Knew me from the leap  
Knew me from the start  
Knew me from the streets  
They know that it's love  
They know that it's deep  
Man I gotta keep it real  
I gotta keep it gee nigga

(Chorus) Zay Gaines

Welcome to my life  
Welcome to my life  
This is what I do but it's time to do it right  
I've been living up a dream  
Dreaming of a living I could make for everybody I was  
with in the beginning mane  
I'm just making music they ain't into yet  
I'm just making music they ain't into yet  
Coming from a place they ain't been to yet  
Yeah

(Verse) Zay Gaines

Uh,  
I'm just making music they ain't into yet  
But I could care less

I'm in new sweats and I'm hoping on a plane  
I really can't complain  
Cause I know they gon' sign me like the pen do checks  
Yeah,  
Fuck you mean this ain't legit  
Fuck you mean that I ain't with it  
Fuck you mean this aint the shit  
All the work that I put in  
All the dreams I had at night  
How am I gon' stay the same if I'm trynna change my  
life mane  
Just a young nigga trynna get it too  
Be the best  
Boy I intended to  
The same women that was saying I ain't into you  
See me and get wetter than a motherfuckin' swimming  
suit  
Yeah,  
Boy I got it on my own  
Omahas Very Own  
Everything is set in stone  
Yeah,  
I swear my team gon' kill it  
And if I ever make it I promise you gone feel it nigga

(Chorus) Zay Gaines  
Welcome to my life  
Welcome to my life  
This is what I do but it's time to do it right  
I've been living up a dream  
Dreaming of a living I could make for everybody I was  
with in the beginning mane  
I'm just making music they ain't into yet  
I'm just making music they ain't into yet  
Coming from a place they ain't been to yet  
Yeah

(Bridge) Zay Gaines  
Yeah,  
Okay you Knew me from the jump  
Knew me from the leap  
Knew me from the start  
Knew me from the streets  
They know that its love  
They know that its deep  
Man I gotta keep it real  
I gotta keep it G-O-O-D

(Verse 2) Zay Gaines  
Yeah,  
Man this shit real life

I'ma be so rich I will do what the fuck I feel like  
I'ma change lives for the better fuck whoever  
I'ma follow threw and do it even if it take forever mane  
Saying I ain't with it boy you fucking crazy  
And niggas say they winning but they fucking crazy  
I swear my absence got these rappers acting funny  
They thinking they run the city they thinking they  
stacking money  
But,  
That shit don't impress me  
I'm laughing at my ex girls who went and left me  
Damn right,  
And this is how my life intro sound like  
Even if Zay did it the shit don't sound right aw yeah

(Chorus) Zay Gaines

Nigga welcome to my life  
Welcome to my life  
This is what I do but it's time to do it right  
I've been living up a dream  
Dreaming of a living I could make for everybody I was  
with in the beginning mane  
I'm just making music they ain't into yet  
I'm just making music they ain't into yet  
Coming from a place they ain't been to yet  
Yeah

(Outro)

I'm just making music they ain't into yet  
I'm just making music they ain't into yet  
Coming from a place they ain't been to yet  
Yeah

Hey, hey  
Yeah, yeah
