"Out Of Sight"

Can you tell me
Who I am
Could you touch me
Just so I know I'm still here

Could you walk with me on my road
Could you cry my tears along with me
I beg you

Alone, don't want to be alone

My heart was open
But you closed it once again
My hopes were clear
But it all went out of sight

When you see I'm hurt
Would you take the pain for me
When you see I want to give up
Would you carry me through the headache

When you see I'm lost
Would you leave it all
To find me back to you
I beg you

Alone, don't want to be alone

My heart was open
But you closed it once again
My hopes were clear
But it all went out of sight

My heart was open
But you closed it once again
My hopes were clear
But it all went out of sight
