Battersea Odyssey  
Battersea Odyssey

The power goes direct to my head  
Battersea Odyssey  
Battersea Odyssey  
The future ain't what is should have been

Seen better times  
But she always shines  
Battersea

Battersea Odyssey  
Battersea Odyssey  
Fell in love with what looks like a flying V  
Battersea Odyssey  
Battersea Odyssey  
Status Quo versus danger zone

Seen better times  
But she always shines  
Battersea
