[Once upon a time Cian foolishly took his chewing gum to bed.

This is his warning to us all:]

[Gruff:]

Blowing bubbles

I've got stuff on my mind

A thought left behind, so

[Cian:]

Don't go chewing in bed

You might wake up with it stuck in your hair

[Repeat to end]

[Gruff:]

That's right, don't go chewing now

You might get it right stuck in your hair, stuck in your hair

[Repeat to end]

[Bunf:]

Chew, chew, chew, chewing gum

[Repeat to end]

[Dafydd:]

That's right, don't go chewing now

Aah Aah!

[Repeat to end]
