Sha la la la la  
La la la la la la  
La la la la la la  
La la la la la  
La la la la la la la  
La la la la la la  
La la la la la la  
La la la la la

Sweat of the losers  
And music for lovers  
For under the covers  
The melody's fine  
In and out of the window  
In easy succession  
My coloured obsession  
Of frequency  
You see

Sha la la la la  
La la la la la la  
La la la la la la  
La la la la la  
(Colourblind)  
La la la la la la la  
La la la la la la  
La la la la la la  
La la la la la  
(Colourblind)

My humble objection  
To Peter's projection  
To be with deception  
To brighter demand  
And my conscious is clear  
You've got to have been  
Remember the name  
I am in sight  
Alright

Sha la la la la  
La la la la la la

La la la la la  
La la la la la  
(Colourblind)  
La la la la la la la  
La la la la la la  
La la la la la la  
La la la la la  
(Colourblind) (X2)

Go colourblind  
Leave behind all the (melody)?  
If we go colourblind  
Leave behind all the (melody)?  
If you go colourblind  
Leave behind ???????  
If we go colourblind
