Take no shit, you gotta get a grip
Take the risk, slip those discs
Lovers tiff, gonna slit the wrist
Just wipe those lips, sink the shit
Crazy, crazy naked girls
Take no shit, you gotta get a grip
Take the risk, slip those discs
Lovers tiff, gonna slit the wrist
Just wipe those lips, sink the shit (crazy, crazy naked girls)
Take no shit, you gotta get a grip
Take the risk, slip those discs
Lovers tiff, gonna slit the wrist
Dress it up, dress it down
Night going on, (????)
Crazy, crazy naked girls
