I had a soul transplant operation
'Coz my bypass didn't function
So now, I'm keepin' on my toes
'Til I see your one man show

Show me magic
Show me magic
Show me magic
Show me mad

Wouldn't it be nice to know
What the paper doesn't show?
What the TV doesn't say
And what my hamster's ate today?

Show me magic
Show me magic
Show me magic
Show me mad

God, show me magic
God, show me magic
God, show me magic
God, show me mad

Show me magic
Show me magic
Show me magic
Show me magic
