What a marvellous dress
You look like a murderess
A ba-ba-barbarian
Dyslexic librarian
She looks me in disgust
There's no room for discourse
I shake like a quaker
So see you later

We're wrong, we're wrong
We're wrong, we're wrong

She fake like a painter
Who dance-a Korea
Me pagan consumer
Be consumed by fear
Dysfunctional sasquatch
Enough only gnarly
It's not tragedy
It's funny every

We're wrong, we're wrong
We're wrong, we're wrong

And the sasquatch says-
Roa-arr-ar-oaaaaaaaaar

Ha-ppiness is a worn pun, Happiness is a worn pun
Ha-ppiness is a worn pun, Happiness is a worn pun
Ha-ppiness is a worn pun, Happiness is a worn pun

We're wrong, we're wrong
We're wrong, we're wrong
