What a marvelous dress
You look like a murderess
A ba-ba-Barbarian
Dyslexic librarian

She looks me in disgust
There's no room for discourse
I shake like a quaker
So see you later

We're wrong, we're wrong
We're wrong, we're wrong

She fake like a painter
Who dance-a Korea
Me pagan consumer
Be consumed by fear

Dysfunctional sasquatch
Enough only gnarly
It's not tragedy
It's funny every

We're wrong, we're wrong
We're wrong, we're wrong

And the sasquatch says

Happiness is a worn pun
Happiness is a worn pun
Happiness is a worn pun
Happiness is a worn pun
Happiness is a worn pun
Happiness is a worn pun

We're wrong, we're wrong
We're wrong, we're wrong
We're wrong, we're wrong
