Visit "[No Sympathy](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I have no sympathy for you  
You make me realize  
The who I am

I have no sympathy for thee  
You make me realize  
The who I am not

Sympathy, sympathy  
You want some  
Don't come to me

Don't try me for sympathy  
I don't feel sorry for thee  
You deserve to die  
You deserve to die

I have no adjectives for you  
And have no feelings  
For the who you are

I feel no empathy for you  
You make me realize  
The who I am not

Sympathy, sympathy  
You want some  
Don't come to me

Don't try me for sympathy  
I don't feel sorry for thee  
You deserve to die  
You deserve to die
