Patti Whitebull fell asleep for 15 years
Then unexpectedly she woke to joy and tears
She ordered pizza and then asked about her kids
They're all grown up now on the reservation grid

Sidewalk Surfer girl
I'd do anything to catch you falling
Sidewalk surfer girl
I'd do anything to be with you, sometimes

Since Patty fell asleep things got so extreme
Surfer boys and girls searching for a dream
Paraglide from space die your bungee best
Set yourself alight whilst famine kills the rest

Sidewalk Surfer girl
I'd do anything to catch you falling
Sidewalk surfer girl
I'd do anything to be with you, sometimes

She fell through the net
Tarred and feathered girl
Sidewalk Surfer girl
I'd do anything to catch you falling
Sidewalk surfer girl
