Suckers in the country
Suckers in the city
Suckers up in outer space
Suckers to the north and
Suckers to the south and
Suckers to the east and west

Tell me you're a phoenix
Rising far above
All the

Suckers in the mainstream
Suckers in their slipstream
Suckers in the underground
Suckers on the benches
Suckers in the trenches
Suckers in the lost and found

Tell me you're a phoenix
Rising far above
All the

Suckers in the movies
Suckers on the DVDs
Suckers on the TV screens

It's over and we've just begun

Tell me you're a phoenix
Rising far above
All the

Suckers in the meantime
Suckers in the nighttime
Suckers in the afternoon
Suckers playing stadiums
Filled up to the rafters
Singing power ballad songs

Tell me you're a phoenix
Rising far above
All those

Suckers in the boardrooms
Suckers in the showrooms
Suckers on the tennis courts
Suckers in reactors
Splitting up the atoms
Suckers messing up my hair

Tell me you're a phoenix
Rising far above
And that

Sucker in the mirror
Sucker needs a tuner
Sucker needs to buy a comb

It's over and we've just begun
Oh, we've just begun
