Sha la la la la la la la la la la la

She came to the city, my village beauty, of innocent
smile

She said he's the painter, then an impersonator, she's
versatile

And now she's sucking on dictaphone

The breasts won't leave her alone

I'm back on the pills

She's over the hill

To sunny Seville

Sha la la la la la la la la la la la

Four bra sizes later, she's all over the papers and
having a ball

She married a banker, who dies at the altar, and left
her all

Well you could say she's out of luck

And that she never really gives a fuck

I'm back on the pills

She's over the hill

To sunny Seville

I'm back on the pills

She's picked up my bills

From sunny Seville

Sha la la la la la la la la la la la

Sha la la la la la la la la la la la

I'm back on the pills

She's over the hill

To sunny Seville

Oh honey I'm ill!

Pass me the pills

Pick up the bill

She's flushed into faze
And fazed into fuzz
Back in the haze

I'm back on the pills
She's over the hill
To sunny Seville
